

MONTHLY INSTRUCTIONAL TECHNOLOGY WEBSITES

October Focus: *Integrating Math*

Cool Math 4 Kids - An amusement park of all types of math! Also has a Science component. <http://www.coolmath4kids.com>

Get Smarter - Elementary, Middle School and High School Math quizzes. Skip the registration part by clicking on and choosing: "Select Grade and Select Math Subject." <http://www.getsmarter.org>

Math Brain Teasers - Solve this week's brain teaser. New teasers posted each week. <http://www.eduplace.com/math/brain>

Math Mastery CyberChallenge - Race the clock to complete addition, subtraction, multiplication or division problems. Gives you a score and correct answer key at the end. <http://www.mathmastery.com/cyberchallenge>

CyberChase Math: PBS Kids math games teaches students that math is everywhere. Games, Teacher/Parent and Lesson Activities. <http://pbskids.org/cyberchase/allgames.html>

GameQuarium - For Pre-Kindergarten through Grade 2 students. Fun and educationally appropriate games in six categories: A-B-C, 1-2-3, color, shape, time and money. <http://www.gamequarium.com/junior.html>

FunBrain - Excellent website for parents to utilize when working with children at home. Great tool for teachers! Can be used as a math center where children can work at their own level to work on specific math skills. <http://www.funbrain.com/>

Math Playground - There are word problems, manipulatives, etc. <http://www.mathplayground.com/>

CyberBee Time teacher - Interactive clock challenge, 5-minute intervals. <http://www.cyberbee.com/games/timeteacher.html>

Teacher Tech Tip

Add accent marks or symbols to your documents:

Open Office (Mac) - On tool bar: Insert > Special Character > (click on symbol) > OK.

Microsoft Word (Win) - On toolbar: Insert > Symbol > (click on symbol) > OK > Close.

¡hola! Δ soirée © tú ¢ ¿qué? ★

Class Web Pages: (**Note:** A class web page is optional at this time). Several want to start their class web page and are not sure how to go about it. If interested, schedule a ten minute after-school meeting in the Media Center. It is very, very easy...really! (Page design/ideas/photos will be put into place for you).
