THE HOLOCAUST

Guidelines: Print two hard copies for each part. Place all copies into your computer folder.

Concentration and Death Camps:

1. Type answers to questions.
2. Construct a **3-column table** for the information found in question 1.

More instruction: <http://www.sosschool.org/hcdmap.htm>

Graph: Construct a **pie chart** (graph) depicting the concentration and death camp tolls.

More instruction: <http://www.sosschool.org/hmap.htm>

Glossary: Type the definition or description for ten (10) of the fifteen given words.

More instruction: <http://www.sosschool.org/hglossary.htm>

Photographs: Choose **one** photo to detail.

More instruction: <http://www.sosschool.org/hphoto.htm>

1. Identify the photo (type the caption under photo).
2. What is the posted date for the photo?
3. Does the photo setting take place inside or outside?
4. Does the photo setting look warm, sunny, cold, windy, rainy, etc.?
5. Are there people in the photo? If yes:
 - Who is in the photo, children, prisoners, German SS, etc.? (Hint: look at caption)
 - How old do you think the people in the photo are?
 - Describe the clothing that these people are wearing.
 - Describe what these people are doing.

Timeline: Construct a timeline containing **ten** (10) events from 1933-1945.

More instruction: <http://www.sosschool.org/htimeline2.htm>
