

Dear Mom and Dad,

I have 10 reasons why I'm glad you sent me to a Catholic School. The first reason is it has a religious atmosphere. Second, Star of the Sea teaches more curriculum and has religion classes. Next, the children and staff are very nice and fair. We love worshipping God and wearing uniforms. I am treated with respect at Star of the Sea. My last reason that I love coming to this school is we have Mass once a month. I love coming to Star of the Sea.

God Bless You,
Julianna
