PARENT SERVICE PROGRAM

Each family is responsible for 30 service hours for two-parent families and 15 for single parents (includes families in which one spouse is deployed for a period of 6 months or more). The hours must be completed between May 1st 2023 and April 30th 2024. The parent with whom the child resides is responsible for fulfilling the hours. If a family falls short of fulfilling its hours by April 30th, there will be a balance due to the school in the amount of \$15.00 per hour for each hour deficit. Payment must be received before report cards, transcripts, or diplomas are released.
